01/24/18

Others in attendance were Todd Kays, Luke Muller and Thomas Nealon with First District Association of Local Governments, Brookings City Manager Jeff Weldon and Brookings County Commission Department Director Stacy Steffensen.

A quorum was determined to be present.

Hill moved/Heuton seconded that the agenda for the January 24, 2018 Joint Jurisdiction Committee meeting be approved as presented.

Bartley moved/Heuton seconded that the minutes from the January 10, 2018 Joint Jurisdiction Committee meeting be approved as presented. Motion carried.

Kays discussed the website created for the Joint Jurisdiction Committee through First District's website at <http://association.1stdistrict.org/brookings-city-county-joint-zoning/>.

The group reviewed the list of uses within the Ag District in the proposed joint jurisdictional area. They discussed allowing confined animal feeding operations, processing plants, contractors' shops and yards, shelterbelts, junk yards, livestock sale barns, and other potential uses.

The group thought specific areas could be designated for certain types of development, rather than allowing any of the proposed uses to be authorized anywhere in the joint jurisdictional area. The committee will continue to go through the list of potential uses in the Ag District at their next meeting.

The next meeting was set for Wednesday, February 28, 2018 at 9:00 AM.

Struck moved/Hill seconded a motion to adjourn. Motion carried.
