To follow are the returned distress warrants from the Sheriff's office for mobile homes that the Sheriff declared uncollectible due to being gone or having burned down or unliveable. This list is to be kept in the Finance Office and anytime that it is determined that these taxes could be collected we are able to put the taxes back on the tax rolls for collection. Since we have been doing the uncollectible list we have had one instance where we took a mobile home off this list and put back on the tax records and collected the taxes. If you have any questions please give me a call or stop in.

A resolution has to be approved by the Commission for this list to be created. The resolution is included.

Sincerely,
